

### 1. Tell us about your business and what you do?

Blake Medical Center has been a leading provider of high quality healthcare for over 40 years. As a 383 bed regional, tertiary hospital, we are proud to offer a wide range of healthcare services to our community.

### 2. What makes your business stand out?

From our nurses to our Board of Trustees, every member of the Blake team is dedicated to providing exceptional care to every patient, every time. We are joined by over 400 of the area's most respected physicians who are equally committed to our patients and our community.

### 3. Why have you been successful?

Blake Medical Center is successful because Manatee County is successful. We continue to grow and change with our community and its needs. That is why we have added advanced

services like Trauma Care, Burn Care and Complex Hand Repair.

### 4. What advice would you give for someone planning to do business in Manatee County today?

Get involved! Manatee County is all about community, which is one of the most rewarding parts of doing business here. You have the opportunity to become part of something great.

### 5. Why did you choose to be involved in 'Together Manatee'?

Blake Medical Center has a culture of community involvement. Our employees and volunteers donate countless hours to making Manatee County an even better place to work and live. Blake supports numerous non-profit organizations throughout the year. We are pleased to embrace this new opportunity to give back.
